

Prayers for World AIDS Day

1. As we mark World AIDS Day, let us remember all those living with HIV and AIDS. We pray for all those infected or affected by HIV all over the world. We pray for the doctors, nurses, scientists and carers who work for healing in this devastating pandemic. We ask God to bless the work of CAFOD and Caritas International, who serve the poor in the name of the Church. We pray for all those involved in the 'Positive Catholics' HIV ministry here in the UK. May God fill all of us with compassion and solidarity.

2. As we mark World AIDS Day on December 1, let us pray for all people infected and affected by HIV and AIDS throughout the world. Let us pray that God's justice and mercy will extend to all who suffer in this pandemic. Let us pray for doctors and nurses, and for all Christians who put God's love into action. We remember too, the ministry of Catholics for AIDS Prevention and Support here in the UK, praying especially for the members of the Positive Catholics HIV peer support communities in London, Southwark, Essex, and Manchester.
